This year we are excited to offer classes for Cub Scout adults, Scouts BSA Adults, Venturing Adults, AND Scouts BSA Youth and Venturing Youth. We've taken out many of the long leader specific training classes that are best suited to be taken in your district, and replaced them with tons of FUN classes filled with all kinds of great stuff that you want to know about! Cub Scout Camping? Dutch oven cooking? What kind of gear you need for high adventure camping? You got it! Please note that when you register on Doubleknot, some classes may require extra fees to cover material costs, such as leatherwork, cooking. CPR etc. The most current list of additional costs and class descriptions can be found here

<https://blackhawkscouting.doubleknot.com/event/scoutologytraining-and-beyond-in-1-day-2019/2573215>

Other features this year include keynote speaker giving a "State of the Council" address at our opening ceremony, and a Midway session during lunch filled with vendors and places that offer opportunities for scouts! Great resources are right at your fingertips! While anyone can take pretty much any of the classes please note each class has it mentioned who it is geared for. Please note that some classes will have a maximum number of who they can take. Sign up early. Youth attending must have a class they are taking each hour, and must be mature enough to handle themselves in this school that is being so generous in letting us use it.

Please note you can take any class, but each class shows in the catalog who it is geared for.

Please sign up on double knot and then either pay on line or pay in the council office.
