
VOLUNTEER DIVER MASTERS (VOLUNTEERS)

We are able to keep day camp prices so low for all families only because we have a 100% volunteer staff. Each Pack that sends scouts is asked to provide 1 adult volunteer for every 4 scouts.

Volunteers can help in a variety of ways; some jobs require additional training beyond the Youth Protection Training and camp specific training meeting. All volunteers need to bring Parts A & B of the Annual Health and Medical Record.

Scouts BSA age youth, both male and female, are invited to join as den chiefs and jr. staff members. Young adult volunteers help make camp fabulous for our Cub Scout age campers.

LITTLE SWIMMERS (WEE CAMP)

Wee Camp is available for the non-scout age children of adult volunteers **while the adult is working in camp**. It is led by qualified adult leadership.

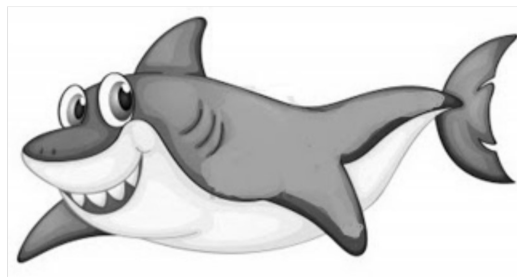

Children must be potty-trained to be in Wee Camp.

Parents will pick up wee campers during lunch time and eat with their children.

There is a \$10 per wee camper fee, regardless of how many days the camper attends.

This fee covers the cost of insurance, t-shirt, and program supplies.

Wee camp is not offered at Boone County Day Camp.

Wanchanagi District CUB SCOUT DAY CAMP Parent's Guide

2019

BENEATH THE SEA

Thank you for entrusting your scout to us for Cub Scout Day Camp. Day Camp is often the highlight of the summer Cub Scout program, designed to engage the interest and meet the needs of Cub Scout aged boys. Activities typically include archery, crafts, nature activities, scout skills, songs, skits, and games.

Packs often pick a camp or two and attend together, but your scout can attend any of the camps that work for your family. Some scouts even attend multiple camps so they can enjoy more summer fun, knowing that the program can vary from camp to camp.

SIGN UP (REGISTRATION)

Please register your scout according to his rank in the fall of 2019. Your Pack Day Camp Coordinator can collect your registration forms and fees, or you may register and pay for your scout online at www.blackhawkscouting.org.

Registrations must be completed 30 days before camp. Late registrations are subject to a \$10 fee, and campers are not guaranteed a t-shirt on the first day of camp. Late fees are waived for scouts who are new to Scouting or their Pack.

Camperships are available by contacting our Senior District Executive, Jared Carlin, at 815-397-0210 Ext. 7534 or at the scout offices.

ADVENTURE GEAR (CAMP UNIFORM)

The camp uniform, for youth and adults, is the official camp t-shirt, which is worn each day of camp. Campers may choose to wear shorts or pants. For safety reasons, campers and staff must wear closed shoes or boots and socks. Sandals or heelys are not allowed.

DIVE PROFILE (DROP OFF/PICK UP)

Parents bring scouts to camp each day. Carpooling is encouraged. However, scouts will only be released to adults designated in the Annual Health and Medical

Record as authorized to take scouts from events. Please be sure to specify all adults who will be transporting scouts on the medical form.

It is important to drop off and pick up scouts during the regular times for the camp to allow camp to run smoothly and out of respect for camp volunteers. Camps are not able to accommodate early drop off or late pick up.

Scouts who are dropped off late or need to be picked up early will need to be dropped off/picked up at Camp Headquarters. Please con-

CAMP MEDICAL INFORMATION

All Day Camps have a Medical Officer in camp while campers are present.

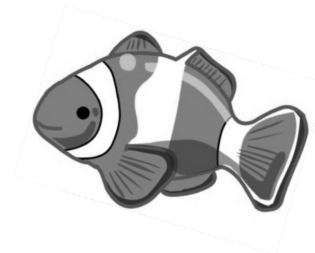

All persons in camp must have Parts A & B of the Annual Health and Medical record on file for the duration of camp. Medical records will not be retained after camp closes.

Medications, both prescription and non-prescription, must be checked in with the camp Medical Officer and remain in the First Aid area. For the safety of our campers and staff, all medications need to be in their original containers and clearly marked with the scout's name and Pack number.
