WEBELOS SLED CONSTRUCTION

Cardboard Sled Construction:

Webelos are to build a sled out of cardboard. It should be big enough to carry one scout and the equipment on the list. The sled needs to be able to be pulled by the Scouts with rope refer to the Boy Scout design. Wood is the only material allowed for use as runners for the sleds. PVC and commercial skis are not allowed. The sled needs to be decorated. The sled will be judged for appearance and usability by the Webelos dens during the joint opening.

2017 KLONDIKE DERBY INFORMATION

TYPE OF EVENT	Klondike Derby will feature opportunities to learn and have fun using scout skills
SCOUT PARTICIPATION	All Scout troops, Venturing crews, Webelos dens are encouraged to participate
CAMPING	This is a one day only event. There are opportunities for overnight camping available to event volunteers
CHECK-IN <i>Events Start 9am</i>	Between 7:30 and 8:30 am on Saturday. It is strongly recommended to plan your arrival as early as possible and register at the Dining Hall
HEADQUARTERS	Dining Hall
PARKING	Park all vehicles in parking lot only.
PATCHES	All registered scouts and adults will receive a patch.
SCORING	The dens will be judged on patrol method, scout spirit, and participation in the competitive and non-competitive event. The sled race will be timed and scored separately.
AWARD PRESENTATION	The awards presentation will be in the Dining Hall

PATROL SIZE	Minimum of 4 Scouts max of 8 per patrol
KLONDIKE SLED	All patrols must have a sled to compete. Webelos are encouraged to make a cardboard sled. Boy Scouts and Venturing sleds must be between 4 feet and 6.5 feet long and 21 -26 inches wide. Wheels and commercial skis are NOT permitted. The sled must be capable of holding 1 scout and all your equipment.
NO SNOW?	If there is no snow and the ground is soft, BE PREPARED to carry your equipment in back packs from station to station.
CANCELLATION	The event will run snow, rain, or shine.
LUNCH	Lunch will be provided for all registered youth and adult participants.
WATER	Bring whatever water is needed for your own use. Limited water is available.
LATRINES	Toilets will be available near the main parking lot.
UNIFORM	The Boys Scouts of America are a uniformed organization and uniforms should be worn.
WARM CLOTHING	Youth wearing "tennis shoes" <u>WILL NOT</u> be permitted to compete. Den leaders are responsible for proper winter apparel for their youth.
FIRST AID	Each den/patrol is to have a first aid kit for minor injuries. Major injuries will be handled by local medical staff. A signed parental release form is required.
