VOLUNTEER REQUIREMENTS

We're able to keep day camp prices low for all families only because we have a 100% volunteer staff. Each Pack that sends scouts is asked to provide 1 adult staff volunteer for every 5 scouts. Volunteers can help in a variety of ways; all volunteers are required to have a current Youth Protection Training certificate and attend one camp specific training meeting. All volunteers need to bring Parts A & B of the Annual Health and Medical Record.

Boy Scout age youth, both male and female, are invited to join as Jr. Staff members. Young Adult volunteers help make camp fabulous for our cub scout age campers. Jr. Staffers must be at least age 14.
