

Every Scout Deserves a Trained Leader!

New to Scouting? Not sure how to lead Youth?

Training is an important part of learning to become an effective leader. We appreciate our volunteers and want to help you succeed in your role. Training will help you have more fun and do a better job in your leadership position. Every Scouting program has a basic training course that will help you get started in the role you wish to pursue. After that, there are additional training courses you can take if you'd like, to learn more specialized skills.

Cub Scout Adult Trainings

Here are the needed trainings for the necessary positions in a Cub Scout Pack.

Cubmaster: Cubmaster Specific and Youth Protection Training

Committee Chair: Committee Chair Training, Committee Member Training, and Youth Protection Training

Committee Member: Committee Member Training and Youth Protection Training

Cub Scout Den Leader or Parent: Youth Protection Training (if the Parent is a Registered Adult in the Pack)

All of these Trainings are on-line at my.scouting.org for your convenience. Simply use your log in and in the Menu choose "My Training". All of the Cub Scout Trainings are in the Cub Scout section.

For additional Trainings offered by our Districts and Council, please use this QR Code.
